

Preflight After Maintenance

Inadequate maintenance and inspections are common accident causal factors. Aircraft owners seeking bargain-priced mechanical services may see unairworthy aircraft returned to service following cursory inspections.

Directions: From I-95, take Exit 220, turn east on Garden Street (SR 406) approximately three miles, turn left on North Williams Ave. approximately 1 mile on the left. EAA Chapter 866, Building 10, in the class room.
